Creation of a Regional Stakeholder Group implementing activities as part of the international project entitled “NACAO - Nature-based Carbon Offsets”

Department of Investment and Development, in cooperation with the Department of Nature and Climate of the Marshal’s Office of the Świętokrzyskie Voivodeship, responsible for the implementation of the international project titled “NACAO - Nature-based Carbon Offsets” invites interested entities to participate in the Regional Stakeholder Group in order to cooperate to introduce improvements in local policies regarding issues in the area of climate change and greenhouse gas emissions.

Creation of a Regional Stakeholder Group implementing activities as part of the international project entitled “NACAO – Nature-based Carbon Offsets” | 2

The Regional Stakeholder Group will be involved in activities undertaken as part of the project in order to establish cooperation, exchange views and experiences between various entities whose activity focuses on issues in the area of climate change and greenhouse gas emissions.

Stakeholders will not only be invited to participate in planned meetings and possible trips, but will also actively participate in introducing improvements to local strategic documents. The above will contribute to increasing the capacity to introduce practices to our region that will allow for the improvement of regional policy instruments.

Applications to participate in the Group may be submitted by entities from the Świętokrzyskie Voivodeship whose activities are directly or indirectly related to the area of climate change and greenhouse gas emissions.

Entities that would like to participate in joint activities for climate change and offsetting carbon dioxide emissions in the Świętokrzyskie Voivodeship as part of the “NACAO – Nature-based Carbon Offsets” project are invited to complete and send the Application Form to the e-mail address: anna.lewicka@sejmik.kielce.pl until: March 31 this year.

The contact person is Ms. Magdalena Pokora, tel. 41 395 11 29.
